

IN THE DRAWINGS:

Attached are nine (9) pages of formal drawings. As requested by Examiner, the specification has been amended to reference items B1, C and D in the drawings to comply with 37 CFR 1.84(P)(5).

The Amendment of June 23, 2003 included a full set of 9 sheets of formal drawings including the previously omitted Figs. 6A, 6B which had originally been listed and described in the originally filed application.

A clarification statement is attached in the Remarks, regarding the Petition to Accept 2 omitted Figures 6A, 6B, which were listed in and described in the originally filed specification-application.
